## **DETAILED ACTION**

### ***Advisory Action***

1. The amendment to the claims, submitted 21 September 2009, will not be entered as they change the language of the independent claim to clarify the structure of the invention. This changes the scope of the independent claim and dependent claims.

### ***Response to Arguments***

2. The Applicant has argued that the current rejection does not teach all of the aspects of the newly amended claims. Further search will be necessary to fully consider the proposed structural clarifications to the claims and the corresponding arguments.

### ***Conclusion***

3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to KATHERINE ZALASKY whose telephone number is (571) 270-7064. The examiner can normally be reached on Monday-Thursday, 7:30am - 6:00pm.
